IRON

Introducing the latest innovation from Lazer India: the ultimate clothes iron designed to transform your ironing experience!

Discover the versatility of Lazer India's iron range which includes steam irons, heavy-weight irons, and dry irons. Each iron is crafted with precision to meet diverse ironing needs, ensuring efficiency and exceptional results with every use.

Our iron combines sleek design with powerful steam technology, effortlessly tackling wrinkles and creases to leave your clothes looking crisp and fresh. With its ergonomic handle and fantastic features, ironing becomes a breeze, allowing you to glide through your laundry with ease.

Trust Lazer India to deliver quality and reliability with every press. Elevate your ironing routine with the Lazer India clothes iron—an essential for those who demand excellence in every detail.

STEAM IRON

POWERFUL STEAM BOOST

It effortlessly smooths out even the most stubborn wrinkles, making quick work of heavy fabrics like denim and linen.

360-DEGREE SWIVEL CORD

It provides unparalleled flexibility and ease of use. This innovative design allows the cord to move freely in any direction.

FINE MIST SPRAY

The fine mist helps to relax fibers, making ironing smoother and more effective, especially on fabrics that require a light touch.

LARGE WATER TANK

It ensures continuous steam production, maintaining optimal ironing performance throughout your session.

5 FABRIC SETTINGS

By selecting from multiple fabric settings, you can ensure that each garment receives the ideal temperature and steam level for safe and effective ironing.

MULTIPLE SELECTION

The Lazer India steam iron range includes models like the Imperial, Elena, and Elena Plus, featuring power ratings ranging from 2200 to 1400 watts. It comes with a comprehensive two-year warranty and is available in various colors.

HEAVY-WEIGHT DRY IRON

HEAVY HEATING ELEMENT

Heavy-weight iron is integrated with a heavy heating element. It ensures rapid and consistent heating for perfect ironing.

EFFECTIVE HEATING

The heavy-weight iron delivers perfect and effective ironing for all types of fabrics. It is especially effective for stubborn denim and cotton, making them wrinkle-free.

ADJUSTABLE THERMOSTAT

It features an adjustable thermostat, allowing precise temperature control to suit fabric types and ironing needs.

INDICATOR LAMP FOR POWER ON/OFF

The iron includes a convenient indicator lamp that clearly shows when the iron is powered on and ready for use.

OVERHEATING SAFETY

The Built-in overheating protection ensures safe operation, automatically shutting off the iron to prevent any hazards.

MULTIPLE SELECTION

The heavy-weight iron range, including the Fortuner and Innova Plus, offers various color options and boasts a powerful 1000W-rated performance. Enjoy peace of mind with a 2-year warranty, ensuring lasting reliability and top-notch ironing results.

DRY IRON

ADJUSTABLE THERMOSTAT

It features an adjustable thermostat, allowing precise temperature control to suit fabric types and ironing needs.

360-DEGREE SWIVEL CORD

You can iron easily from any angle with the 360-degree swivel cord, giving you complete flexibility and control.

5 FABRIC SETTINGS

The Dry Iron has 5 fabric settings to customize your ironing experience. It ensures the perfect temperature for everything from delicate silks to sturdy denims.

HEAVY HEATING ELEMENT

The Dry iron is integrated with a heavy heating element. It ensures rapid and consistent heating for perfect ironing.

MULTIPLE SELECTION

Our dry iron range offers a variety of color options and power ratings from 1000 to 1200 watts. Each iron comes with a 2-year warranty, ensuring reliability and effective ironing.
